LIVE & BROADCAST	Hybrid events, Wirecast, ProPresenter, Zoom, YouTube and Facebook Live
POST & AUDIO	Premiere Pro, Final Cut Pro, Zoom H4n, lavalier, shotgun and boom mics

CURRENT EXPERIENCE

AV & Livestream Producer

First Unitarian Society of Denver | Mar 2025–Present | Volunteer; selected memorial services paid

- Produce two simultaneous streams for services and events using Wirecast, ProPresenter, Zoom and two PTZ cameras.
- Switch cameras, cue graphics, manage remote participation and troubleshoot live AV.

Founder & Coordinator, Church Communications Group

First Unitarian Society of Denver | Oct 2025–Present

- Launched a technical communications initiative and now coordinate its five-person working group.
- Map about ten digital communication channels; set priorities and document decisions in shared Google Docs.

INDEPENDENT PRODUCTION

Independent Video Producer & Digital Media Creator

J Cliche and Independent Projects | 2004–Present

- Produce, film and edit documentary, music, promotional and event video from concept through delivery.
- Paid photography assistant, Beth Engel Photography, Wisconsin (c. 2011–2013); groom-side photos and lighting support.

SELECTED WORK & IMPACT

THE ART OF WAR Produced, filmed and edited a **paid 20-episode documentary series** tied to The Art of War graphic novel.	**BELLY DANCE WITH SADIE** Shot, edited and published a performance video with **1.6M+ views**.
NBC NEW YORK Filmed the 2009 Wall Street Pillow Fight arrest; footage featured by NBC New York.	**CULTURE CAFE — COMMERCIAL** Conceived the commercial, cast and directed performers, and filmed and edited the finished piece.
CATO FALLS Filmed live music videos for Cato Falls; conceived and produced the Manitowoc Breakwater Lighthouse performance video.	**EPIDEMIA** Co-produced five episodes with collaborators in Mexico. Filmed New York footage, prepared rough cuts and handled most YouTube publishing; collaborators completed all final edits.

BROADCAST & STUDIO EXPERIENCE

Live Streaming Operations

The FeedRoom | New York / New Jersey | 2008–2009

• Monitored simultaneous ESPN360 streams; identified and escalated encoding and transmission failures.

Volunteer Camera Operator & Floor Manager

TVSB Community Access Television | Santa Barbara, CA | 2004–2005

• Operated studio cameras and coordinated floor cues for community and public-affairs programming.

OPERATIONS LEADERSHIP

Imaging Manager

Mountain States Imaging | Englewood, CO | c. 1996–2000

• Managed three offices, opened a branch and supervised 15+ staff; oversaw production workflows and quality control.
